

Chris Brown - With You

(2x)

I need you, boo

I gotta see you, boo

And there are hearts all over the world tonight

Said, there are hearts all over the world tonight

Hey, little mama

Ooh, you're a stunner

Hot little figure

Yes, you're a winner

And I'm so glad to be yours

You're a class on your own, and

Ooh, little cutie

When you talk to me

I swear the whole world stops

You're my sweetheart

And I'm so glad that you're mine

You're one of a kind

And you mean to me what I mean to you

And together, baby, there is nothing we won't do

'Cause if I got you, I don't need money, I don't need cars

Girl, you're my all

(1x)

And, oh, I'm into you

And, girl, no one else would do

'Cause with every kiss and every hug

You make me fall in love

And now I know I can't be the only one

I bet there's hearts all over the world tonight

With the love of their life who feels What I feel when I'm

With you, with you, with you, with you, with you, girl

With you, with you, with you, with you, with you, oh, girl

I don't want nobody else

Without you, there's no one left and

You're like Jordans on Saturday

I gotta have you and I cannot wait now

Hey, little shawty

Say you care for me

You know I care for you

You know that I'll be true

You know that I won't lie

You know that I will try

To be your everything, yeah

'Cause if I got you, I don't need money, I don't need cars

Girl, you're my all

(1x)

And I will never try to deny

That you are my whole life, 'cause if you

Ever let me go, I would die

So I won't front

I don't need another woman

I just need your all or nothing

'Cause if I got that, then I'll be straight

Baby, you're the best part of my day
